

# Central Middle School

December 20, 2017

Dear 6th Grade Parents/Guardians,

We are excited to announce that Central Middle School students will have the opportunity to take a field trip to Springfield, Illinois. On this trip, our students will visit important historical sites, and make first-hand connections with our social studies curriculum in the Illinois State Capitol Building.

This trip is being organized by CMS staff with support from WorldStrides, an educational travel company. Your students will be traveling with their classmates and CMS teachers and will be met by WorldStrides tour guides that will lead them through the Springfield site visits.

We will be holding an informational meeting with a WorldStrides representative to help answer any financial or logistical questions.
